Work Experience

Coding Instructor
KodeKiddo

Feb 2021 - Feb 2022

As a coding instructor, I teach students about basic programming and work with teams and staff at various centers. Some of the tasks I perform include:

- Served as mentor to students, answered questions, provided tutoring services, and offered one-on-one lesson reviews.
- Cultivated positive relationships with administration, teaching staff, and students.
- Collaborated with teaching staff to coordinate educational strategies and student support networks.
- Assisted classroom teacher with grading projects and assignments.
